

Manaaki Scholarship Application Process - Asia*

Online Portal Opens

Step 1: Eligibility Test & Applications Submission

You will complete a short online questionnaire to confirm that you meet the eligibility criteria.

Step 2: Account Creation

Your secure, personal account where your application information will be held and saved.

Step 3: Complete Long Responses Form

You'll be asked to provide written responses to questions about your personal background, experiences, and future goals.

Step 6: ILETS

English language proficiency testing that assesses your ability across four skills: listening, reading, writing, and speaking.

Step 5: Personality Profile

This online personality assessment provides insights on your attributes and working style. Diversity is valued and there there is no single ideal profile.

Step 4: Abstract Reasoning Test

You will receive a link to complete a timed abstract reasoning test to assess your problem-solving abilities.

Step 7: Interview

You will attend a video or face-to-face interview to discuss your study plan and how it benefits your home country.

Step 8: Placement

At the placement stage you'll be asked to formally apply to your chosen university and secure a letter of offer to study

Step 9: Awarded Scholarship

Upon successful confirmation of your university placement you'll receive the official scholarship contract to accept & sign. Congratulations!

*IELTS testing is not required for the following countries during the selection process; Malaysia, Nepal, Philippines, Thailand and Viet Nam.
